

Create an inviting outdoor space for friends and family with the Patio Time Outdoor Propane Gas Fire Pit. Composed of aluminum magnesium oxide, this fire pit features a stainless steel burner with a maximum 50,000 BTU output. Fire Glass provides heat retention and a pleasing aesthetic. An optional water-resistant cover to keep the fire pit clean when not in use. A standard 20-lbs Propane tank is required. We know you will feel at home no matter what Patio Time product you choose.
